

## **Offer of Complimentary Software License(s)**

Hello iGEM Teams,

MathWorks is pleased to sponsor the 2013 iGEM Competition.

MathWorks will provide software, training, and access to MathWorks engineering mentors and technical support to teams who have completed the Student Competition Software Request Form below.

Here are the products we will be providing that you may have access to:

### Complimentary Software

- MATLAB
- Simulink
- Bioinformatics Toolbox
- Curve Fitting Toolbox
- Global Optimization Toolbox
- Optimization Toolbox
- SimBiology
- Statistics Toolbox
- Symbolic Math Toolbox

Activation Type: Designated Computer

License option: Individual

Platform: All

A faculty advisory for your team should review and complete the Student Competition Software Request Form: <http://www.mathworks.com/academia/student-competitions/software-request-registration-igem.html> to take advantage of our software offer.

Best of luck in your preparation!

Regards,

Lauren Tabolinsky
